Note generali	The scale of interest. The second part, An appendix containing the description and use of the carpenters rule, and Ephemeris or diary, shewing the interest and rebate of money at 6 per centum have separate title pages, dated 1667; Chiliades decem logarithmorum, and Tabula partium proportionalium have divisional title pages. An ephemeris or diary, shewing the interest and rebate of money at 6 per centum = Wing N1058A, but it does not appear to have been published separately. The C copy, the only one recorded in Wing, is at the same shelfmark as The scale of interest. Page numbers 9-10 omitted in page numbering only. Reproduction of the original in the Bodleian Library.
