Titolo

The Resolution of Devonshire and Cornwall and other adioyning counties [[electronic resource]] : with the names of the forts and castles given up to the King. With the copie of a letter written by I. Ayre Esquire from Portsmouth, to M. I. Arundell in London, shewing His Majesties entertainment there, and all proceedings since his Maiesties coming thither. Also a true relation of the passages between the cavaliers at Wels in Somerset-shire, and the trained bands, with their resolution for the defence of the King and Parliament, and the number of voluntiers that came to assist them from the neighbouring counties.
