Autore	Allen John <17th cent.>
Titolo	Judicial astrologers totally routed, and their pretence to Scripture, reason & experience, briefly, yet clearly and fully answered [[electronic resource] ] : or a brief discourse, wherein is clearly manifested, that divining by the stars hath no solid foundation. In the first part of this book are several cases of conscience answered, both from the Word of God, and from the experience of eminent divines of different judgments. In the second part of it, are the maximes of judicial astrology examined and answered; and many eminent examples added, of the frustration of the tokens of these liars. / / Published by J.A. for publick good
