Autore	Walker George, of Lincoln's Inn.
Titolo	Anglo-tyrannus, or the idea of a Norman monarch, represented in the paralell reignes of Henrie the Third and Charles kings of England [[electronic resource]] : wherein the whole management of affairs under the Norman kings is manifested, together with the real ground, and rise of all those former, and these latter contestations between the princes, and people of this nation, upon the score of prerogative and liberty. And the impious, abusive, and delusive practises are in short discovered, by which the English have been bobbed of their freedome, and the Norman tyrannie founded and continued over them. // By G.W. of Lincolnes Inne
