| Titolo | A parallel of the liturgy, with the Mass-book, the breviary, the ceremonial, and other Romish rituals [[electronic resource]] : Wherein is clearly and shortly demonstrated, not onely that the liturgy is taken for the most part word for word out of these Antichristian writs; but also that not one of the most abominable passages of the Mass can in reason bee refused by any who cordially imbrace the liturgy as now it stands, and is commented by the prime of our clergy. All made good from the testimonies of the most famous and learned liturgick writers both Romish and English / By that reverend and faithful preacher of Gods Word, Robert Bayly, late of Glasco in Scotland |
