Indigenous archaeology : a Moriori case study / Maui Solomon and Susan Forbes -- 12. Seeking the end of indigenous archaeology / George P. Nicholas.

Sommario/riassunto

The collected essays in this volume address contemporary issues regarding the relationship between Indigenous groups and archaeologists, including the challenges of dialogue, colonialism, the difficulties of working within legislative and institutional frameworks, and NAGPRA and similar legislation. The disciplines of archaeology and cultural heritage management are international in scope and many countries continue to experience the impact of colonialism. In response to these common experiences, both archaeology and indigenous political movements involve international networks through which i
