Pubbl/distr/stampa	New York, New York (222 East 46th Street, New York, NY 10017) : , : Business Expert Press, , 2014
ISBN	1-60649-769-3
Edizione	[First edition.]
Descrizione fisica	1 online resource (100 p.)
Collana	Supply and operations management collection, , 2156-8200
Disciplina	658.4038011
Soggetti	Dashboards (Management information systems) Waste minimization Lean manufacturing Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Part of: 2014 digital library.
Nota di bibliografia	Includes bibliographical references (pages 83-84) and index.
Nota di contenuto	1. The organizational measurement challenge: what's the score? are we winning? -- 2. Measuring operations and supply chain performance: winners work -- 3. Organizational measurement methods and tools: training day -- 4. Developing organizational measures: the plan -- 5. Key enablers: policy deployment, accountability sessions, employee training and involvement, and improvement tool selection and application -- 6. Using scorecards and dashboards: working the plan -- 7. Case review: metrics in action! -- 8. Making cultural transitions -- 9. Achieving, sustaining, and celebrating success -- References -- Index.
Sommario/riassunto	Over the last decade Lean and Six Sigma methods and tools have helped organizations improve to historic productivity levels with the data driven, systematic elimination of waste, and improvement of flow. Today many organizations have enjoyed the benefits of Lean and Six Sigma initiatives, and are looking more to sustain the gains, and aggressively drive a systematic and ongoing approach to improvement and problem solving. The concept of diminishing returns applies here in the early stages when organizations were able to find "low-hanging fruit" and to quickly make significant improvements. Now the easy work is done, and organizations need a simple yet systematic approach to

continuing their continuous improvement efforts. The term scoreboards and dashboards are quite common, and many organizations have them. However, the author's observations are that there are many problems common to most organization dashboards.

2. Record Nr.	UNISA996391399803316
Autore	Bakewell Thomas, b. 1618 or 19.
Titolo	An answer to those questions propounded by the Parliament to the Assembly of Divines, touching jus divinum in matter of church-government [[electronic resource]] : Wherein is clearly proved from Scripture, that the Presbyterial government is jure devino, of divine institution, and according to the will and appointment of Jesus Christ. Licensed, and published according to order
Pubbl/distr/stampa	London, : Printed for William Ley, and are to be sold at his shop at Pauls Chain, neer Doctors Commons., 1646
Descrizione fisica	20 p
Soggetti	Presbyterianism Congregationalism Church polity Great Britain Church history 17th century Early works to 1800
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Though this is generally attributed to Thomas Bakewell (also known as Bathwell), who matriculated at Oxford April 17, 1635, received his M.A. in 1641, and who was ejected in 1661, Thomason attributes it to a Thomas Bathwell, woolmonger. Annotation on Thomason copy: "by Thomas Bathwell"; "by Tho: Bathwell woolmonger in [illegible]"; "June 17th". Reproduction of the original in the British Library.
