Note generali	<p>Title taken from caption title and first lines of text.</p> <p>Imprint from Wing; cf. Madan III, 3149 - No imprint, but Oxford Sheldonian printing, 1677.</p> <p>Signatures: GÂ<sup>2</sup> .</p> <p>"A Speech in honour of sir Thomas Bodley, delivered on Friday July 6, 1667, in the Act at Oxford, but not printed in the extended Eno'sia with the rest, probably because the manuscript was not forthcoming at the time of printing. Wood states that it was "added after". The first of the two leaves is marked 'G', thus duplicating that sheet, but the catchword on sheet Fâ´ (Imperii: which was never altered) shows that the present sheet is really a later addition." -- Madan III, 3149.</p> <p>Reproduction of the original at the Bodleian Library.</p>
