Note generali	By Richard Brathwait. H. G. = H. Goodcole. Printer's name from STC. The second part, "A heavenly new-yeeres gift" has separate dated title page and pagination; register is continuous. The implication that Goodcole wrote Brathwait's portion as well as his own is apparently the publisher's idea--STC. In first part, page 258 misnumbered 238. The second part formerly STC 18488. The second part identified as STC 18488 on UMI microfilm, reel 1551. Reproduction of the original in the Bodleian Library. Appears at reel 1477 (first part only) and at reel 1551 (second part only).
