Note generali	Based on an earlier work by Roger of Wendover also known as "Flores historiarum", probably based in turn on an earlier St. Albans chronicle. See Vaughan, Richard. "Matthew Paris" (Cambridge, 1958). The "Historia major" is edited by Matthew Parker. Title page in red and black. Half-title reads: Matthæi Parisiensis opera. "Vitæ duorum Offarum .. et viginti trium abbatum Sancti Albani" most of it probably not written by Paris, has separate title page, register and pagination; the imprint reads "Londini, excudebat Milo Flesher M.DC. XXXIX. ..". "Matthæi Parisiensis additamenta" has separate title page dated 1639 with Flesher's name in imprint; pagination and register are continuous.

With an engraved portrait of Matthew Paris, signed: T. Cecill sculp:.
Includes indexes.
Reproduction of the original in the British Library.
