Note generali	A defense against the charge of heresy made against the author, arising from his assertion that all the good in man was God's work, and all the evil the fault of man. Cf. Madan. "Written for the private use of a friend in Northhamptonshire, but published at first to prevent calumny, then reprinted to stop its mouth, and now the third time printed, because its mouth will not be stopp'd." Reproduction of original in Huntington Library.
