The Negative Reinvention of Cinema: Late Hollywood in the Early Digital Age; Acknowledgments; Notes; Filmography; Index
Sommario/riassunto	Paul Young looks at the American cinema's imaginative constructions of three electronic media-radio, television, and the Internet-at the times when these media seemed to hold limitless possibilities. The Cinema Dreams Its Rivals demonstrates that Hollywood is marked by the advent of each new medium, but conversely, the identities of the media are themselves changed as Hollywood turns them to its own purposes.

2. Record Nr.	UNISA996391947503316
Autore	Lilly William <1602-1681.>
Titolo	A peculiar prognostication astrologically predicted according to art [[electronic resource]] : VVhether, or no, His Majestie shall suffer death this present yeere 1649. // The possibility thereof discussed and divulged, by William Lilly, student in astrologie
