1. Record Nr. UNISA996392035403316

Titolo	All the proceedings at the sessions of the peace holden at Westminster [[electronic resource]] : on the 20. day of Iune, 1651. against Thomas Tydford, Elizabeth Sorrell the elder, Margaret Dunlape, Anne Burley, Frances Bedwell, Elizabeth Sorrell the yonger, and Thomas Kearby. Together, with their severall examinations and behaviours before the justices, and the petition of six of them, as also their recantation; with the sentence and punishment of Thomas Kearby, for his blasphemous impiety, and wilfull obstinacy. To which is added a postscript, to deterre all men to avoyd such horrid blasphemies. This is perused (and thought fit to be published) by divers of the justices of the peace within the city and liberty of Westminster, for the satisfaction of the publique. July 22. 1651. E.H
Pubbl/distr/stampa	London, : Printed by Thomas Harper, 1651
Descrizione fisica	14 p
Soggetti	Blasphemy
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Annotation on Thomason copy: "July 24". Reproduction of the original in the British Library.
Sommario/riassunto	eebo-0018

2. Record Nr. UNINA9910777417903321

Titolo	Engineering research and technology development on the space station [[electronic resource] /] / Committee on Use of the International Space Station for Engineering Research and Technology Development, Aeronautics and Space Engineering Board, Commission on Engineering and Technical Systems, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1996
Descrizione fisica	1 online resource (88 p.)
Disciplina	629.442
Soggetti	Space environment - Research Space stations
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
