Titolo	A vvonderfull plot or Mystery of state, discovered for prevention of Englands imminent desolation; [[electronic resource]] : never more feared then at this present. Being a parallell between a Jesuite, who hath ruined many nations; and an Independent, who is like to be the speedy destruction of this. In nature of a dialogue between a grand, capitall, Catholick Popish Independent, a Jesuite, and a petty Independent, of a slender capacity, an uncertain wandring schismatick. Both condoling the ineffectuall successe of their incessant studies, and indevours
