| Titolo                  | John Taylors vvandering, to see the vvonders of the vvest [[electronic resource] ] : How he travelled neere 600. miles, from London to the Mount in Cornwall, and beyond the Mount, to the Lands end, and home againe. Dedicated to all his loving friends, and free minded benefactors. In these dangerous dayes for rich men, and miserable times for the poore servants of the late King, (whereof I was one, 45. yeers to his royall father and himself) I thought it needful to take some course to make use of some friends, and devise a painfull way for my subsistence; which was the journey I have past, and this booke heere present; for which purpose I gave out many of these following bills, to which neere 3000. gentlemen and others, have kindly subscribed, to give me a reasonable reward |
