Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references (p. 366-386) and indexes.
Nota di contenuto	Sexual virtue on display: the cults of pudicitia and honours for women ; Traditional narratives and Livy's Roman history ; Valerius Maximus : the complexities of past as paradigm ; Subversive genres : testing the limits of pudicitia ; Declamation : What part of 'no' do you understand? ; Sexual virtue on display II : oratory and the speeches of Cicero ; Imperial narrative, imperial interventions.
Sommario/riassunto	Traditionally, scholars have approached Roman sexuality using categories of sexual ethics drawn from contemporary, Western society. In this 2006 book Dr Langlands seeks to move away from these towards a deeper understanding of the issues that mattered to the Romans themselves, and the ways in which they negotiated them, by focusing on the untranslatable concept of pudicitia (broadly meaning

'sexual virtue'). She offers a series of nuanced close readings of texts from a wide spectrum of Latin literature, including history, oratory, love poetry and Valerius Maximus' work *Memorable Deeds and Sayings*. *Pudicitia* emerges as a controversial and unsettled topic, at the heart of Roman debates about the difference between men and women, the relation between mind and body, and the ethics of power and status differentiation within Roman culture. The book develops strategies for approaching the study of an ancient culture through sensitive critical readings of its literary productions.

Note generali

Signed at end: R.L., i.e. Richard Lawrence?.

Nelson and Seccombe assert that this may be the first issue of: "A perfect and more particular relation of the proceedings of the army in Ireland"; however this is merely speculative.

Annotation on Thomason copy: "Octo: 26".

Reproduction of the original in the British Library.
