Note generali	By Joannes de Mediolano. Translated in verse by Sir John Harington. "De valetudine conseruanda, or the preservation of health, .. Collected out of Henricus Ronsouius .. and now published .. By S.H." has separate dated title page and pagination; register is continuous. It is a prose translation, possibly by Stephen Hobbes, of "De conservanda valetudine liber" by Henrik Rantzau. Imperfect; title page and other leaves torn, with slight loss of print. Reproduction of the original in the British Library.
