Sommario/riassunto	An affectionate, irreverent, candid look at the "'Heart of Dixie.'" This book tells Alabama's history in a conversational style with an unapologetically subjective approach. Accessible to general readers and students alike, it recounts the history and politics of a state known for its colorful past, told by one of the state's most noted historians and educators, whose family came to the territory before statehood. A native and resident Alabamian, Harvey Jackson has spent a lifetime discovering and trying to understand his state. Expressing deep love for its people and culture, he is no less cr

3. Record Nr.	UNINA9910823119403321
