

1. Record Nr.	UNISA996392629703316
Autore	Mather W (William), <fl. 1695.>
Titolo	An answer to the switch for the snake [[electronic resource] ] : A book so called. Discovering the weakness of the Switch, which the leading Quakers (of the second days meeting in London for government) have lately (as I am told,) given into the hands of each Parliament Man. Vice is nourished, and gets life by covering it, saith a heathen author; even so it is with errors in religion. Humbly shewing, that it is impossible, that the pens now in controversie, against us Quakers, should be put a stop to, before there's an order given forth, (from the second days meeting) for the reformation of our numerous preachers in the country. And also a book of retractions of all the errors in our Friends printed books, be published, with an appendix and postscript. By William Mather, a lover of (the well meaning persons, especially among) that people
Pubbl/distr/stampa	[London, : s.n.], Printed in the year 1700
