| Titolo                  | Ortholatrea: or, A brief discourse concerning bodily worship<br>[[electronic resource] ] : proving it to be Gods due; to be given unto him<br>with acceptation on his part, and not to be denyed him without sin, on<br>ours. A thing worthy to be taken into consideration in these dayes,<br>wherein prophaness and irreverence toward the sacred Majesty of God<br>hath so much corrupted our religious assemblies, that men are<br>regardless of their being before God, or of Gods being amongst them in<br>his own house. / / By S.G. late preacher of the Word of God in the<br>Cathedrall Church of Peterburgh |
