Titolo	The discovery of mans returne to his first estate by the operation of the power of God in the great work of regeneration [[electronic resource]] : With a word to all saints, who set their faces towards Sion to seek the Lord their God: and to those that are waiting in Sion to worship him in spirit and truth. A word to the back-slider, who hath tasted of the good word of God, and the powers of the world to come, and hath turned the grace of God into wantonnesse, and gone back into spirituall Sodome and Egypt, where our Lord is crucified. With a discovery of Mystery-Babylon, and her merchants; with a word to the hard-hearted unbelieving Jews, who professe Christ in words, and denies to be guided by his Counsell, the light in their conscience, and so stumbles at him to their own destruction. From the spirit of the Lord, written by one, whom the people of the world calls Quaker, whose name in the flesh is William Densbury [sic]; but hath a new name, the world knows not, written in the Book of Life
