

1. Record Nr.	UNISA996392762203316
Autore	Laine Pierre de
Titolo	A compendious introduction to the French tongue [[electronic resource]] : teaching with much ease, facility, and delight, how to attain briefly and most exactly, to the true and modern pronounciation thereof. Illustrated by several elegant expressions, and choice dialogues, useful for persons of quality that intend to travel into France, leading them, as by the hand, to the most noted and principal places of that kingdom. Whereunto is annexed an alphabetical rule, for the true and modern orthography of that French now spoken, being a catalogue of many necessary words, never before printed. // By Peter Laine, a teacher of the said tongue, now in London
Pubbl/distr/stampa	London : , : Printed by T.N. for Anthony Williamson, at the Queens-Arms in St. Pauls Church-yard, neer the west-end., 1655
