| Titolo                  | The unlimited authority of Christs disciples cleared [[electronic resource] ] : or the present church and ministry vindicated. Or Christs disciples authority for the practice of his commands is unlimited. Being a brief answer to a book intituled (A sober Word to a serious people.) There the writer saith, Christ gave his commissions not to disciples as disciples, but to apostles. But here is by Scripture proved, that the authority & commissions, given to disciples, (as disciples considered) are of a far larger extent, then the authority of commissions given to apostles.
