Autore	Barbon John
Titolo	Leitourgia theiotea ergia, or, Liturgie a most divine service [[electronic resource]] : in answer to a late pamphlet stiled, common-prayer-book no divine service : wherein, that authors XXVII reasons against liturgies are wholly and clean taken away, his LXIX objections against our most venerable service-book are fully satisfied : as also, his XII arguments against bishops are clearly answered (His VI first, also, retorted.) and his odious and invidious disparallel 'twixt our bishops and Timothy and Titus utterly null'd : so that, this tract may well passe for a replie to the most of the great and little exceptions any where made to our liturgie and politie, (grounds, also, being, therewithal, laid for the satisfying all other, usually made.) // by John Barbon, M.A. and Vicar of Dallington neer Northampton
