Titolo	The cases of scandal and persecution [[electronic resource]] : Being a seasonable inquiry into these two things: first, whether those nonconformists, who otherwise think subscription lawful, are therefore obliged to forbear it because their weak brethren do judg [sic] it unlawful? Secondly, whether the execution of penal laws upon dissenters, for non-communion with the Church of England, be persecution? Wherein they are pathetically exhorted to return into the bosome of the church, the likeliest expedient to stop the growth of popery. / / By William Assheton .
