Titolo	Responsoria bipartita, sive vindiciæ suspensionis ecclesiasticæ ut et presbyterii evangelici [[electronic resource]] : A double reply, containing a vindication of the antient practice of the Church (according to the rule of the word) suspending the ignorant and scandalous from the Lords Supper. As also of ecclesiastical presbyteries ... The first in answer to one M. Boatmans challenge of all the ministers on earth to make suspension of any but Turks, Jews, pagans and excommunicate persons from the Lords Supper, appear from Scriptures. In answer to whom the said censure is justified by several arguments from Scripture, and the universal practice of the Church, the magisterial vanity also of his sermon, Decem. 13. and March 28. in Peters Church in Norwich is discovered, ... In which answer also some objections of Erastus, Mr. Prin, and Mr. Humfry, are coilaterally considered, and answered. The second part in answer to Theophilus Brabourn, who hath talked something in a little pamphlet against the Lord Jesus Christ ... / / By John Collings, B.D. and pastor of the church of Christ in Stephens parish in Norwich
