

1. Record Nr.	UNISA996393056903316
Autore	Smith John, of Badgworth
Titolo	Soule-reviving influences of the sun of righteousnesse, or Some bright beames of light and love [[electronic resource] ] : sparkling from Christ upon the darke and drooping hearts of sin-weakened and clouded believers, even while we are in this solitary wilderness, not yet arrived at the land of spirituall Canaan; but taking a turne in the darke and dampe valley of the shadow of death. With several evangelicall and heart-winning encouragements to the life of faith in the Sonne of God, notwithstanding our manifold weaknesses and hainous provocations; yea to the keeping up of the same comfort, hope confidence, and joy in him in the sadest straights, of the sorest darknesse
