Autore	Smith George <1602 or 3-1658.>
Titolo	The three Kingdomes healing-plaister. Or, The solemne covenant of reformation and defence explained [[electronic resource] ] : Wherein is shewed the authority, antiquity, and use of an holy covenant: the occasions moving to it, and the ends in doing it, the necessity of it at this time, for diverse reasons herein expressed. Also a full explanation of each article of the Covenant, to the satisfaction of all: shewing the benefit that may redound by it, viz. Gods protection and blessing to heale our miseris, and establish truth in religion, peace and lasting happinesse to the three kingdomes. Likewise shewing the danger of refusing it, and Gods curse upon us, if we enter into it deceitfully. Imprimatur, Ia. Cranford. By G.S., Gent
