Note generali	Title page medallion: head of Christ; initials; printed in black-letter. Imprint from colophon. Printed at Zurich and issued in England. Signatures: A-Z a-z Aa-Kk (last leaf blank?). Imperfect: red ink completely faded from t.p.(which may be a facsimile); preliminaries, c, Kk lacking; tightly bound, some pages torn, faded, with loss of text. Best copy available for photographing. Reproduction of original in: Bodleian Library.
