Note generali	Dedication signed "An. Cooper". The author's Christian name is variously given as Andrew or Anthony. In verse. First word of title transliterated from Greek. Running title reads: The English civil warres. An imprint variant which is either identical with Wing C6049 or with Wing C6050. Both Wing C6049 and C6050 are identical with each other except for the imprint date of 1660 or 1662. In this issue the final numeral of the date failed to print or perhaps dropped out, and there is no apparent way of determining the actual date of publication. Reproduction of original in the Folger Shakespeare Library, Washington, D.C.
