

1. Record Nr.	UNISA996393933803316
Autore	Chamberlayne Thomas
Titolo	<p>The complete midwife's practice enlarged [[electronic resource]] : in the most weighty and high concernments of the birth of man. Containing a perfect direitory, or rules for midwives and nurses. As also a guide for women in their conception, bearing and nursing of children: from the experience of our English viz. Sir Theodore Mayern, Dr. Chamberlain, Mr. Nich Culpeper. and others of forreign nations. With instructions of the Queen of France's midwife to her daughter, a little before her death, touching the practice of the said art. The fourth edition enlarged, with the addition of Sir Theodore Mayerns rare secrets in midwifry, with the approbation of sundry the most knowing professors of midwifry now living in the city of London, and other places, viz. R.C. J.D. M.S. T.B.W.C.M.H. practitioners of the said art. With a further discovery of those secrets kept close in the breast of Mr. Nich. Culpeper, and other English writers; never made publick till now. A work so plain, that the weakest capacity may easily attain the knowledge of the whole art. Illu</p>
