Sommario/riassunto	Theologian, ethicist, and political analyst, Reinhold Niebuhr was a towering figure of twentieth-century religious thought. Now newly repackaged, this important book gathers the best of Niebuhr's essays together in a single volume. Selected, edited, and introduced by Robert McAfee Brown-a student and friend of Niebuhr's and himself a distinguished theologian-the works included here testify to the brilliant polemics, incisive analysis, and deep faith that characterized the whole of Niebuhr's life."This fine anthology makes available to a new generation the thought of one of the most penetrating and rewarding of twentieth-century minds. Reinhold Niebuhr remains the great illuminator of the dark conundrums of human nature, history and public policy."-Arthur Schlesinger, Jr."Sparkling gems. . . brought from the shadows of history into contemporary light. Beautifully selected and edited, they show that Niebuhr's fiery polemics and gracious assurances still speak with power to us today."-Roger L. Shinn"An extremely useful volume."-David Brion Davis, New York Review of

Books" This collection, which brings together Niebuhr's most penetrating and enduring essays on theology and politics, should demonstrate for a new generation that his best thought transcends the immediate historical setting in which he wrote. . . . [Brown's] introduction succinctly presents the central features of Niebuhr's life and thought." -Library Journal

Gratton John <1641-1712.>

A treatise concerning baptism, and the Lord's Supper [[electronic resource]] : shewing, that the true disciples of Christ are sent to baptize men into the name of the Father, Son, and Holy Ghost, for the carrying on of which, Christ is with them, and will be to the end of the world : also, a few words concerning the Lord's Supper, shewing, that those that sup with him are in his kingdom
