

1. Record Nr.	UNISA996394262303316
Autore	Sandilands Robert
Titolo	An expedient for peace, or some Christian and reasonable proposals, once more renewed and offered again to Friends of Reading [[electronic resource] ] : conducing to an amicable composure of differences among them: with a healing epistle to them from Friends of Bristol, on both sides, tenderly advising them to meet all together again in their ancient publick meeting house. As also a seasonable expostulation and a persuasive to a reconciliation, with some remarkable testimonies added to promote the same and several objections against it answered, which may tend to a general service
