Note generali	"Wood states that sir John Birkenhead .. wrote this piece, which puts a scurrilous speech in the mouth of the Chancellor of the University. Michael Oldisworth .. was secretary to William and Philip, earls of Pembroke and successively chancellors of the University."--Madan. "'Printed at Mongomery,' i.e. Oxford, but really at London."--Madan. Reproduction of original in the University of Illinois (Urbana-Champaign Campus). Library.
