Note generali	Imprint suggested by the British Library. Consists entirely of a large engraved table in the design of a clock. Around the outer circle are the months of the year; within an inner circle are various countries in the world. "Iohannes Carte Londini Fecit" is also listed in this inner circle. At foot of table: "The outermost circle shewes, the month's of the year. ... The signes of the zodiak, with the partes of the body affected by the moon." Reproduction of original in the British Library.
