Sommario/riassunto	This book studies the role of the EU in peace and security as a regional actor with global aspirations, in the context of challenged and changing multilateralism. Multilateralism, governance and security are three concepts that have attracted a great deal of attention in the past decade and attempts to redefine them have produced lively conceptual debates. More recently, different strands of the literature have found common ground in the investigation of the EU's role in what has been labelled 'multilateral security governance'. Despite being frequently used, the term is yet to be ful
