Note generali	Traditionally attributed to Thomas a Kempis; attributed to Jean Gerson in the preface to this edition. A translation by Richard Whitford of: Imitatio Christi. With a title-page woodcut. Printer's name and address from colophon; publication date conjectured by STC. "Here after folowyth the fourthe boke of the folowyng of Cryst" (caption title) is unfoliated and has separate register; it was apparently printed by Peter Treveris (STC). Reproduction of a photostat of the original in the Henry E. Huntington Library and Art Gallery.
