Titolo	Satans designe defeated- [[electronic resource]] : In a short answer to a manuscript sent by a priest out of Sussex, to a Member of this present Parliament, full of railing accusations, whereby he hath secretly smitten the innocent, by a secret desiring the persecution of the people of God. But herein his folly and madnesse doth appear, that while he hath accused others falsely, himself is found guilty of the same thing. With invitations of love to the present authority, that they may save themselves from being the executioners of the priests malice, least the Lord destroy them. // By a friend to righteousnesse, E.B
