

1. Record Nr.	UNISA996395087403316
Autore	Bromfield M
Titolo	A brief discovery of the chief causes, signs, and effects, of that most reigning disease, the scurvy [[electronic resource]] : together with the causes, symptoms, & effects, of several other dangerous diseases most usually afflicting mankind. Whereunto is added, a short account of that incomparable, and most highly approved medicine called Bromfield's pill. Being the only remedy this age hath produced against the scurvy, and most other curable distempers. Formerly prepared and set forth for the publick benefit, by M. Bromfield; and now wholly assigned by him to Mr. Joseph Stent
Pubbl/distr/stampa	London, : [s.n.], printed in the year, 169[4?]
Descrizione fisica	16 p
Altri autori (Persone)	StentJoseph
