Titolo	A faithful relation of the most remarkable transactions which have happened at Tangier; [[electronic resource]] : since the Moors have lately made their attacques upon the forts and fortifications of that famous garrison, likewise the strength and good posture of defence it remains now in. With an account of the trenches, lines and works they have already drawn in order to their besieging several of the said forts strongly guarded by the English, and the advantagious success the English have obtained over those infidels, in a late fight between them; burning and demolishing their works, beating them out of their trenches, killing them and pursuing them even to their camp
