Titolo	The light of Christ within proved to be sufficient to lead unto God [[electronic resource] ] : in answer to a book put forth by John Tombes and Richard Baxter, in which they go about to prove the light within insufficient to lead to God. By many fallible arguments, perverting of scripture, and their own reasonings. But their rule for proof being so fallible, uncertain and confused, that often-times they prove that which they would disprove, and confesse that which they would deny. For the convincing and edifying of those that are not satisfied concerning the light within, is this given forth / / by Richard Hubberthorne
