Sommariorriassunto	«Dicen que mi memoria nunca volvera a ser la misma, que empezare a olvidar cosas. Al principio, solo algunas y, luego, muchas. Asi que escribo para recordar.»Sammie siempre ha tenido un plan: sacar las mejores notas, estudiar Derecho, y ser abogada para defender los Derechos Humanos en Nueva York. Cree que nada se interpondra en su camino, hasta que descubre que sufre una extraña enfermedad genetica que, segun los medicos, le robara los recuerdos y la salud.Lo que Sam necesita es un nuevo plan. Decidida a vivir una vida que no puede esperar, se lanza a vivir un verano de primeras experiencias:Su primera fiesta.Su primera muestra de rebeldia.Su primera amistad verdadera.Su ultimo amor.¿A quien no podras olvidar nunca? Cuentanoslo en#kitdesupervivenciaENGLISH DESCRIPTIONThey tell me that my memory will never be the same, that I'll start forgetting things. At first just a little, and then a lot. So I'm writing to remember.Sammie McCoy is a girl with a plan: graduate at the top of her class and get out of her small town as soon as possible. Nothing will stand in her way-- not even the rare genetic disorder the doctors say will slowly steal her memories and then her health.So the memory book is born: a journal written to Sammie's future self, so she can remember everything from

where she stashed her study guides to just how great it feels to have a best friend again. It's where she'll record every perfect detail of her first date with longtime-crush Stuart, a gifted young writer home for the summer. And where she'll admit how much she's missed her childhood friend Cooper, and the ridiculous lengths he will go to make her laugh. The memory book will ensure Sammie never forgets the most important parts of her life--the people who have broken her heart, those who have mended it--and most of all, that if she's going to die, she's going to die living.
