Sommario/riassunto	Two thousand years ago, Seneca described advocates not as seekers of truth but as accessories to injustice, ""smothered by their prosperity." This unflattering assessment has only worsened over time. The vast majority of Americans now perceive lawyers as arrogant, unaffordable hired guns whose ethical practices rank just slightly above those of used car salesmen. In this penetrating new book, Deborah L. Rhode goes beyond the commonplace attacks on lawyers to provide the first systematic study of the structural problems confronting the legal profession.
