| Titolo                  | A curious collection of musick-books, both vocal and instrumental, (and several rare copies in three and four parts, fairly prick'd) by the best masters [[electronic resource] ] : formerly designed to have been sold by way of auction, but the reason of its being put off, was, that several gentlemen, lovers of musick, living remote from London, having a desire for some of this collection, and could not be there, they are here set down in order, with the rates, being lower than could be afforded otherwise : the collection is to be sold by Henry Playford . |
