Section V: Specialized Therapeutic Modalities

22. Family Therapy for the Bereaved: David W. Kissane and An Hooghe

Sommario/riassunto

Grief and Bereavement in Contemporary Society is an authoritative guide to the study of and work with major themes in bereavement. Its chapters synthesize the best of research-based conceptualization and clinical wisdom across 30 of the most important topics in the field, including the implementation of specific models in clinical practice, family therapy for bereavement, complicated grief, spirituality, and more. The volume's contributors come from around the world, and their work reflects a level of cultural awareness of the diversity and universality of bereavement and its challenges.

Sommario/riassunto

A new edition in one volume of Hugh Baker's celebrated three volumes of Ancestral Images originally published in 1979, 1980 and 1981. The 120 articles and photographs explore everyday life, customs and rituals in Hong Kong's rural New Territories. Each mouthful is complete in itself, but together the articles amount to a substantial feast. They investigate religion, food, language, history, festivals, family, strange happenings and clan warfare. The book documents much that can no longer be found. But it also provides an understanding of a world which has not yet entirely disappeared, and whic
