Collana	Princeton Legacy Library ; 1929
Disciplina	949.6501
Soggetti	Albania Storia 1878-1912
Lingua di pubblicazione	Inglese
Formato	Risorsa elettronica
Livello bibliografico	Monografia
Sommario/riassunto	<p>Il professor Skendi, originario dell'Albania, traccia i progressi e le battute d'arresto della lunga lotta dell'Albania per l'unità nazionale durante questo periodo meno conosciuto della sua intricata storia. Discute l'eredità della sua gente ed esamina in dettaglio gli sviluppi che hanno portato all'indipendenza albanese: la resistenza nazionale alle decisioni del Congresso di Berlino, poi l'opposizione alla Turchia e la lotta tra albanesi e giovani turchi. Vengono presi in considerazione problemi interni come la configurazione geografica, la divisione religiosa e politica, e problemi esterni come la rivalità italo-austriaca, l'interferenza politica degli stati vicini e il coinvolgimento di grandi potenze.</p>

2. Record Nr.	UNINA9910797138403321
