Note generali	"Urielis Acosta exemplar humanae vitae. Addita est brevis refutatio argumentorum quibus Acosta omnem religionem revelatam impugnat, per Philippum a Limborch.": p. [341]-364, with divisional title page. Date in imprint appears before second publisher statement. Includes index. This appears to be the same setting as the edition dated 1687, with the imprint: "Goudae, apud Justum ab Hoeve."; the only difference seems to be the title page with the London imprint. Reproduction of original in: New College (University of Edinburgh). Library.
