Sommario/riassunto

"The most comprehensive and up-to-date work available on ancient Macedonian history and material culture, *A Companion to Ancient Macedonia* is an invaluable reference for students and scholars alike. Features new, specially commissioned essays by leading and up-and-coming scholars in the field Examines the political, military, social, economic, and cultural history of ancient Macedonia from the Archaic period to the end of Roman period and beyond Discusses the importance of art, archaeology and architecture All ancient sources are translated in English Each chapter includes bibliographical essays for further reading" --

"*A Companion to Ancient Macedonia*--the first of its kind--examines the political, military, social, economic, and cultural history of ancient Macedonia from the Archaic period to the end of Roman domination and beyond. Material culture, such as art, architecture, and archaeology, is also explored. Written in a lively and accessible style, the companion includes specially commissioned chapters by leading and up-and-coming scholars, and features suggestions for further reading. This comprehensive, up-to-date collection of essays provides a rich resource for students and scholars of ancient Macedonia"--
