

1. Record Nr.	UNISA996443949903316
Titolo	Frontiers in Soil Science
Pubbl/distr/stampa	Lausanne, Switzerland : Frontiers Media SA, 2021-
ISSN	2673-8619
Descrizione fisica	1 online resource
Soggetti	Soil mechanics Soil science Soil biology Soil chemistry Soil physics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	Frontiers in Soil Science provides a forum for research excellence in all aspects of soil science. We welcome article submissions in the traditional fields of soil chemistry, physics, and biology as well as those involved in pedology and soil classification. In addition, we invite submissions that improve our fundamental mechanistic understanding of soil functioning as well as those associated with more applied aspects of soil management, including urban soils. -- Publisher's website
