

1. Record Nr.	UNISA996445654003316
Titolo	Journal of engineering and applied science
Pubbl/distr/stampa	[Cham], Switzerland : , : SpringerNature, , 2021
ISSN	2536-9512
Descrizione fisica	1 online resource
Disciplina	620/.005
Soggetti	Engineering Ingénierie Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Originally published by Cairo University, Faculty of Engineering as: Bulletin of the Faculty of Engineering "In the 1970's, the journal title was changed to: Scientific Engineering Bulletin. In 1991, with the issuance of volume 38, the journal started to appear under its current title: Journal of Engineering and Applied Sciences." -- Journal website "Note on archive articles: Articles published prior to 2021 remain free access, rights and permissions remain under original copyright, the Cairo University, Faculty of Engineering, CUFE." -- Publisher website
